

Safely on the Move

Child Passenger Safety in Child Care

Do you know:

- About the new child safety seat law?
- That traffic crashes are a leading cause of injury and death for children?
- What a booster seat is?

Do you ever:

- Need to drive children in your care? to and from school? on field trips?
- Wonder if children are riding safely?
- Want to provide accurate information to others?

Safely on the Move is here to:

- Talk about changes in the child safety seat law
- Answer your questions about child passenger safety
- Provide information and resources to distribute
- Link you with child passenger safety experts in your local community
